

Damage to Equipment & Facilities – AAC Camps

All campsites and camp owned equipment used by a unit will be inspected before the unit checks in and as the unit checks out. Any damages that occur will be assessed by the Camp Director and must be paid for, or arrangements made to pay, before the unit leaves camp. Damage could include breaking or losing equipment, defacing tables, latrines and buildings, cutting or tearing canvas. A true assessment of value and responsibility can be made, if the adult leader in charge reports such damage immediately. Please report pre-existing damage immediately! Contact the Camp Director (or designee) by Noon of your first full day at camp to report pre-existing damage or issues.

Each Scout and Unit is responsible for taking care of camp equipment that has been assigned for their use. In case of damage to this equipment, the individual or unit is responsible for payment or repairs or replacement.

Note: *Aerosol spray cans used inside tents will remove waterproofing from tents.*
