

# No Troop ..... No Problem!

## Provisional Camping at Boy Scout Summer Camp Robert W. Woodruff Scout Reservation

### **No Troop.....No Problem!**

There is no reason for you to miss out on all the fun just because your troop isn't going to summer camp, or because other summer plans mean you won't be able to go to camp with your troop. You may even want to do an additional week of camp, just because you had such a great time.

Scouts who wish to go to camp can attend as part of the Woodruff Provisional Camper Program.

### **New Friends.....New Experiences!**

Provisional Camping is just like camping with your home troop, except you'll have the opportunity to camp with new friends, as you join scouts from all over the council and beyond. You'll meet new people and have the opportunity to develop friendships that can last a lifetime. Provisional Scouts will most likely have their own dedicated Provisional Scoutmaster, but there is a possibility that they will join an selected Atlanta Troop with an experienced leader. Either way, you'll have a full time Scoutmaster for the week that, just like your Scoutmaster back home, will make sure you have a safe and fun camp experience. Provisional scouts can participate in all of the camp's exciting programs, including advancement, competitions, and patrol events. It's a great way finish additional Merit Badges, or to try out a new part of the program that you weren't able to try before.

**Special Notes:** Provisional Campers at Woodruff are welcome in the Whitewater Challenge, Ultimate Zone and Venture Base Programs. After applying, we will contact you to schedule your program activities. Adults attending with provisional scouts must pay a leader fee.

We will contact you after receipt of your reservation to coordinate registration into specific camp programs, get health forms, emergency contact info, permission slips, etc...
